STRATEGIC INSIGHTS

What the Data Is Telling Us

Pick Up Is the Revenue Engine

At 83.34% of all sales, Pick Up is the dominant channel. Operational investment here yields the highest return. Delivery and Kiosk represent untapped diversification levers.

East Area Drives National Performance

With $54M — nearly 40% of total revenue — the East Area sets the benchmark. Fort Belvoir alone at $7.9M outperforms entire zones in other regions.

20x Growth in 3 Years Is Exceptional

CC2G's trajectory from $3M to $62M signals strong product-market fit and scalable infrastructure. Sustaining this requires continued investment in high-performing zones.

Europe & Pacific Are Emerging Markets

Combined $16.7M across 114K transactions — these regions have lower user density but strong per-transaction value, signaling quality demand worth scaling.
